

ARTISAN® SEWING MACHINES

30" Long Arm Compound Needle Feed,
Walking Foot Sewing Machine with a Big Bobbin Hook

611-30 LA BB

ARTISAN. model 611-30 LA BB heavy duty compound needle feed, walking foot stitching machines have a working area of 30 inches from the needle to the vertical arm. When sewing large or bulky items it is no longer necessary to roll up large panels to stitch. The 30 inches of working area makes sewing door panels, sun visors, and all manner of large items easy to stitch or quilt.

Only the finest quality spare parts and workmanship is built into each new ARTISAN. We warranty it for 24 months!!

The 611-30 is designed to be a remarkably smooth sewing machine producing a perfectly straight and equal distant stitch length on all types of auto upholster, leather, webbing, and fabrics. The machines sew up to 2 3/4 stitches per inch and have a full 9/16 inch of presser foot lift. The machine will stitch up to a total thickness of 7/16 of an inch of just about any compressed fabric or leather. The 611-30 uses the "M" size big bobbin rotating hook system and have an accessible lever to stitch in reverse for backtacking a seam.

Thread sizes range from #33 up to #207. We recommend, adjust and sew off each ARTISAN. machine with "Rice" brand "Premium Performance" bonded nylon thread. Each complete ARTISAN. 611-30 machine includes a spool of thread, extra needles, extra bobbins and other accessories to get you started sewing.

Whether you're a professional or a hobbyist, you'll enjoy stitching with our high quality economical walking foot 30" long arm sewing machine.
