**Models  
2240**

## **SPLIT NEEDLE BAR, DOUBLE NEEDLE, NEEDLE FEED SEWING MACHINES**

Every ARTISAN model 2240 high speed double needle lockstitch sewing machine is manufactured up to the highest quality standards in the world. The 2240 models have what is referred to as a split needle bar system designed to sew and make "non-crossover" stitching on angular turns and includes a needle feed mechanism. This type of feeding system is designed to reduce fabric ply slippage and to sew an equidistant stitch length on most fabrics. ARTISAN 2240 machines come in two different sub classes. The 22420-M uses "G" size standard rotating hooks and is for lighter weight fabrics. The 2240-B machines have a longer needle bar stroke and use size "U" large bobbin rotating hooks. ARTISAN 2240-B machines are generally used on heavier weight fabrics and apparel leathers. Both models feature automatic lubrication systems, reverse levers for backtacking and stitch length regulator dials.

The ARTISAN 2240 is utilized for sewing two parallel rows of stitching. An example is to set patch type pockets on shirts and jeans, or to top stitch collars with right angular turn for "non-crossover" stitching. Sew light to heavy weight fabrics such as silks, cottons, poly blends, and up to denim, canvas and apparel type leather too.

ARTISAN 2240 machines are designed primarily for high speed production sewing operations. Professionals such as tailors, dressmakers, drapery workrooms, even home and craft sewers demanding the finest quality sewing machines choose the 2240 series when only the finest quality two needle stitching will do. The machines are available in various optional needle gauge sizes. 1/4" is standard.

- ▶ AUTOMATIC LUBRICATION WITH A PRESSURE OIL PUMP.
- ▶ SEWING SPEEDS UP TO 3,500 S.P.M.
- ▶ USES PREWOUND PAPER OR NORMAL METAL BOBBINS.
- ▶ BACKTACKING WITH THE REVERSE LEVER.
- ▶ PRESSER FOOT LIFT BY KNEE UP TO 13 MM, BY HAND 7 MM
- ▶ STITCH LENGTH IS ADJUSTABLE BY DIAL REGULATOR
- ▶ NEEDLE BAR STROKE: 32MM
- ▶ STANDARD NEEDLE SIZES: 135 x 7 #10 to 22
