

# ARTISAN®

## SEWING MACHINES

*"Value, Style,  
&  
Performance"*

### Button Replacement Stitching Machine

*The ARTISAN® model B-373 is a single thread chainstitch sewing machine. The system is designed to replace missing or broken 4 hole and 2 hole buttons on dress and sport shirts with minimal effort or skills. Most people are trained to operate the B-373 and to replace button within just a few minutes.*

*The machine is designed for usage at cleaners and alteration rooms where only the best performance will suit the customers requirements.*

*Some features of the new ARTISAN® B-373 button replacement machine include its ease of changing thread colors, threading, inserting two hole or four hole buttons and the quality performance necessary for maximum efficiency in the work-room.*

*The B-373 is easily changed from 2 hole to 4 hole buttons of most any size.*

*We recommend the usage of quality Schmetz needles size 175 x 1.*
